

SPECIAL ANNOUNCEMENT

Good News! Tax deduction while supporting your community?

Can it be true?

You bet it is!

The Springfield Civic Association recently formed an educational arm called the **Springfield Community Educational Alliance (SCEA)**. This 501c3 status arm was formed for the purpose of providing educational programs for residents and business community members.

Your donations and contributions to the **SCEA** are tax deductible. Your contribution should be made payable to the SCEA so that the funds are deposited in that specific account. There is no limit on what you can donate. It is a great way to support future educational efforts in your community and it is tax deductible! How can you beat that?

Workshops and programs that the SCEA would support would include, but not be limited to, the Home Maintenance Fairs, Home Maintenance Workshops, Voter Education, Health and Safety programs, and Self Defense Classes. Basically anything educational in nature would be an SCEA program.

Please consider supporting this important program and take advantage of the tax deduction at the same time. Plan your community legacy gift as you plan your tax savings each year or just donate a separate check when you pay your dues!

Tawny Hammond, President
Springfield Civic Association
